NOTES

1. The seat, and work top to be both made from mahogany, and planed, and smoothed with sand paper and painted with three coats of wood varnish.
2. Metallic frame to be fabricated from square steel tubes of 1 x 1 x 2 mm
3. All metallic frame members be spot welded while the seat and work top are fastened to the frame using 3/4" long steel nuts and bolts.
4. All metal parts to be primed with red oxide and painted with black gloss paint to a smooth finish
